

## Haslemere Museum Guidelines

	<p>We've been busy ensuring we can reopen safely to protect our visitors, staff and volunteers, and we are very pleased to reopen on Monday 17<sup>th</sup> May. We are entrance by donation and in these Covid-19 times your donation is more important than ever. You can donate by cash or credit card or online <a href="#">here</a>.</p>
	<p>To ensure everyone's safety things will be a bit different on your visit: We will be open Tuesday to Saturday, 10am to 5pm. We will not be requiring advance booking but you may need to queue if we are really busy.</p>
	<p>We ask that you maintain the 2m social distancing between yourself or your group and other visitors. This is the same as having our mascot, Arthur the Bear, lying at your feet! When you arrive please wait outside if necessary, in order to keep to 2m distancing.</p>
	<p>Please sanitize your hands in reception when you arrive. There will be additional sanitising stations around the Museum for your use.</p>
	<p>Please wear a face covering whilst in the Museum building.</p>

	When you arrive we will ask you for contact details for NHS Test & Trace; this information will only be used for NHS Test & Trace purposes and will be destroyed in accordance with their guidelines.
	<p>We will be operating a one-way system around the Museum, please follow the signs and give way to others if necessary.</p> <p>In certain areas, for example the Mummy and Geikie rooms we ask that only one visitor or group enter at a time; please follow the instructions.</p>
 TOILETS	<p>Initially we will only be using the disabled toilet. This ensures we can carry out frequent cleaning and prevents pinch points that do not allow for social distancing.</p> <p>If you need to queue please do so along the corridor as signposted to prevent congestion.</p>
