

**Who am I? (Answers)**  
**(Find me in the Natural History Gallery)**

1. I have a loud ROAR and a splendid mane

I am known as the KING OF THE JUNGLE!!  
Although I usually live on grassy planes.

**Lion**

2. I am black with white stripes,  
Or is that white with black stripes?  
My stripy coat is unique, like a fingerprint.

**Zebra**

3. I hunt for insects and small mammals by night

I have feathers speckled brown and cream  
A heart shaped face and silent flight.

**Barn Owl**

4. My name means “with the colour of flame”

I often stand on only one of my legs  
My bright pink colour is my claim to fame.

**Flamingo**

5. I am an Australian egg-laying mammal!

I look like a mixture of many other animals  
The people who discovered me thought I wasn't real!

**Duck-Billed Platypus**

6. I am found in shallow, warm water  
If you scare me, I inflate and display my spines  
And try to look like a Porcupine.

**Puffer or Porcupine Fish**

7. I am very dangerous; the largest of all living  
reptiles  
I have sharp teeth, a long tail and  
A broad body covered in scales.

**Saltwater Crocodile**

8. I don't have any legs; I slither on the ground,  
When I'm scared I spread my hood  
I make a hissing sound.

**Snake - Cobra**

9. I have wings but I'm not a bird,  
I can be quite spectacular  
Though I'm often small and  
drab  
I used to be a caterpillar.

**Butterfly**

10. When I was alive I had multiple eyes  
Around the edge of my thorny shell  
Now my soft body has gone  
But my spiny shell is still amazing to look upon.

**Thorny Oyster**
